GRIASS DI

A warm welcome

"A GOOD BAR IS LIKE A SECOND LIVING ROOM"

That's what I always argued when the desire to have my own business grew stronger and stronger and I developed the concept for today's ibex together with my family. In addition to good music, which should also invite you to dance later in the evening, a chilled atmosphere to meet friends, there must also be something good to eat, was my guiding principle and so the ibex musikbar.restaurant was born in 2013.

WELCOME & SEE YOU SOON
